If you can't get through to the conference call number, first recheck that you are using the proper dial-in number and meeting code. If you still have problems, you may text for help.

First choice: Text the word **HELP** to the conference call-in number. You will be texted an alternate call-in number.

Second choice: Text the words **CALL ME** to the conference call-in number. The system will call you back and connect you directly.
