Below are instructions for phone meetings that are sponsored by local GA groups, as well as International GA Conference call meetings.

Earlier this year, in an effort to help those members whose meetings have been temporarily suspended as a result of the COVID-19 virus, the GA Board of Trustees Telephone Conference Call Committee expanded the original approved Wednesday night meeting to include options every night of the week from 8:00-10:00 PM Central time. (These meetings are designated with an asterisk* below.)

If you have questions about participating in a phone meeting, please contact mn.ga.webweaver@gmail.com

FOR CALLERS HAVING DIFFICULTY CONNECTING TO A CONFERENCE CALL

US Callers – If you can't get through to the conference call number, first recheck that you are using the proper dial-in number and meeting code. If you still have problems you may text for help.

First choice text the word **BACKUP** to the conference call-in number. You will be texted an alternate call-in number.

Second choice would be to text the words **CALL ME** to the conference call-in number and the system will call you back and connect you directly.

Canadian Callers – If you can't get through the conference call number, dial 209-399-9098. You will be prompted to dial your conference call number sequence.
