

## Share Your Story of Experience, Strength, & Hope!

Sharing stories of our addiction and recovery are vital for those in all stages of recovery: newcomers and old-timers alike. And, speaking about compulsive gambling and recovery brings awareness to the public at large.

Step 12 of the Gamblers Anonymous Recovery Program states:

“Having made an effort to practice these principles in all our affairs, we tried to carry this message to other compulsive gamblers.”

GA members carry the message by speaking at treatment centers, colleges, universities, prisons, churches, conferences, and many other facilities. Not only are we charged with speaking to those that think they may have a gambling problem, we are also pleased to speak with service providers and community leaders.

Currently Minnesota GA needs volunteers to speak at two treatment centers. Both opportunities are via Zoom, and last about one hour each. If you have at least one year of clean time, please volunteer! And if you have less than one year of clean time, you can still speak if you team up with your sponsor, or another GA member with at least one year of clean time.

Learn more by contacting **Deb M. Call or text 612-296-2707**. The Public Relations committee is happy to give you more details, and support you in your story-sharing and 12th Step efforts!
