

## SPONSORSHIP OF A SPEAKER MEETING

Our local monthly speaker meeting is an important part of our Area 8A GA Fellowship. To improve that meeting experience and strengthen its connection to the numerous weekly meetings we are asking that individual groups sponsor a monthly meeting.

Groups would schedule a month with the speaker meeting coordinators and would then have the following responsibilities:

- Provide a main speaker for a 30-40 minute share. Speaker should have a minimum of 1 year abstinence. Speaker can be listed as TBD after meeting selects a month.
- Provide someone to read the Daily Reflection and share on that for @5 minutes
- Provide readers for GA readings
- Arrive early to assist in setting up the room and making coffee
- Provide a treat
- Assist with cleanup after the meeting

Meeting coordinators will be on site to assist as needed

Speaker meeting coordinators can provide a calendar showing available months
