

Gamblers Anonymous Telephone Meetings

There are many things that can prevent someone from attending in-person meetings: health, weather, child care, transportation, and travel, to name a few. If you're unable to attend an in-person meeting, telephone and virtual (Zoom) meetings are available.

The most-requested telephone meeting information is for the national calls and the phone meeting sponsored by the Friday Burnsville GA group. That information is below:

Wednesday 9:00 pm Eastern / 8:00 pm Central time (National)

Dial 1-267-807-9601, access code 9131957#

Friday 3:00 pm Eastern / 2:00 pm Central time (National)

Dial 1-267-807-9601, access code 9131957#

Friday 7:30 pm Central Time (Friday Burnsville GA Group)

Dial 1-667-770-1377, access code 205035#

The telephone "rooms" open 10-15 minutes before the meeting starts. The meeting moderators explain the protocols and telephone commands for speaking and participating in the meeting.
